*** Terms and conditions**

The promotion is applicable only to clients who purchase Regular Premium Care for Life policies from Prudential Financial Consultants (Applicable for cash investment only) on monthly premium mode, subject to a minimum monthly premium of S\$50. Customers must pay their first 2 months premium upfront in cash, nets, credit card or cash card on the subject policy before they get to enjoy their "Care for Life Dollars (CFL\$) entitlement" which is equivalent to their 1 month premium on the same policy. Terms and conditions apply. For more details, speak to the Prudential Financial Consultant at selected SingPost branches.

Note:

Singapore Post Limited ("SingPost") (Company Reg. No. 199201623M) does not carry on the business of soliciting or receiving proposals for insurance and investment products and does not carry as an agent for any insurer or fund manager in relation to the insurance and investment products or services provided or sold. SingPost is not responsible for any matters in relation to the products or services provided or sold.

Buying a life insurance policy is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value payable may be less than the total premiums paid. Buying healthcare insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. You should seek advice from a qualified Prudential Financial Consultant if in doubt.
