Capturing 2005 on Stamps

Singapore, 24 November 2005 – With 2005 coming to a close soon, what better way to capture the spirit of the year than through stamps! Singapore Post (SingPost) will release *The 2005 Collection of Singapore Stamps*, an exquisite coffee table book, on 2 December 2005.

Stamps are sovereign items unique to each country, embedding the cultural, historical, political and lifestyle elements of each country. It is therefore a fitting tribute to compile the stamps issued each year into a premium collectors' item encapsulating key events of the year.
