About Singapore Post Limited

SingPost is a trusted household name in Singapore, enjoying strong brand recognition. It is the dominant provider of domestic and international postal services, offering an efficient and high quality mail delivery service utilising a sophisticated distribution infrastructure and advanced mail processing technology. SingPost is one of the most efficient postal operators in the world. In May 2007, it made its mark in the international postal industry with its first win in the World Mail Awards for the Quality category. SingPost is also the dominant logistics provider in the domestic market, with global service offerings to more than 220 territories/countries. It has recently won the EMS Cooperative Certification Gold Level Award by the Universal Postal Union (UPU) for its Speedpost Worldwide courier service and is the only postal administration in the world to win the award for six consecutive years since 2001.

In Singapore, SingPost also owns one of the largest retail distribution networks through its tri-channel platform of post offices, Self-service Automated Machines (SAMs) and *vPOST*, its internet portal. With its extensive network, SingPost provides a one-stop convenience to its customers for a wide range of products and services, including agency, postal and financial services.
