EXPLANATORY NOTES ON SPECIAL BUSINESS TO BE TRANSACTED

STATEMENT PURSUANT TO ARTICLE 61 OF THE CONSTITUTION OF THE COMPANY

Ordinary Resolution 9

Ordinary Resolution 9 is to empower the directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to an amount not exceeding in total 50 per cent of the total number of issued shares (excluding treasury shares and subsidiary holdings), with a sub-limit of 10 per cent for issues other than on a *pro rata* basis to shareholders of the Company. The 10 per cent sub-limit for non-*pro rata* share issues is lower than the 20 per cent sub-limit allowed under the Listing Manual of the SGX-ST and the Constitution of the Company. The Company is seeking approval from shareholders for a lower sub-limit for non-*pro rata* share issues as it does not anticipate that it will require a higher sub-limit before the next Annual General Meeting. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) at the time that Ordinary Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting as at the time that Ordinary Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares.

Ordinary Resolution 10

Ordinary Resolution 10 is to empower the directors:

- (a) to offer and grant options, and to allot and issue ordinary shares of the Company pursuant to the Share Option Scheme 2012; and
- (b) to grant awards in accordance with the provisions of the Restricted Share Plan 2013 and to allot and issue from time to time such number of fully paid-up ordinary shares as may be required to be delivered pursuant to the vesting of awards under the Restricted Share Plan 2013,

provided that the aggregate number of ordinary shares allotted and issued and/or to be allotted and issued pursuant to the Share Option Scheme 2012 and the Restricted Share Plan 2013 does not exceed 5 per cent of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings) for the time being.

Although the Rules of the Share Option Scheme 2012 and the Restricted Share Plan 2013 provide that the maximum aggregate number of ordinary shares which may be issued under the Share Option Scheme 2012 and the Restricted Share Plan 2013 is limited to 10 per cent of the total number of issued ordinary shares of the Company, Ordinary Resolution 10 provides for a lower limit, namely, 5 per cent of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings), as the Company does not anticipate that it will require a higher limit before the next Annual General Meeting.

Ordinary Resolution 11

Ordinary Resolution 11 is to renew the mandate to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9), or any of them, to enter into certain interested person transactions with certain specified classes of interested persons as described in the Appendix to the Letter. Ordinary Resolution 11 will, if passed, continue being in force until the conclusion of the next Annual General Meeting of the Company.

Ordinary Resolution 12

Ordinary Resolution 12 is to renew the mandate to enable the Company to purchase or otherwise acquire its issued Shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use internal and external sources of funds to finance its purchase or acquisition of Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued Shares of the Company as at 31 May 2019 ("**Latest Practicable Date**") (out of which 25,511,422 Shares were held in treasury and no shares were held as subsidiary holdings as at the Latest Practicable Date), and assuming that on or prior to the Annual General Meeting, (i) no further Shares are issued, (ii) no further Shares are purchased or acquired, or held by the Company as treasury shares, and (iii) no Shares are held as subsidiary holdings, the purchase by the Company of 10% of its issued Shares (excluding the 25,511,422 Shares held in treasury) will result in the purchase or acquisition of 224,957,810 Shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the 224,957,810 Shares at the Maximum Price of S\$0.979 for one Share (being the price equivalent to 5% above the average of the last dealt prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 224,957,810 Shares is S\$220,233,696.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 March 2019 based on these assumptions are set out in paragraph 3.7 of the Letter.

Personal Data Privacy:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, take-over rules, regulations and/or guidelines (collectively, "**Purposes**"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Notes:

1. (a) A member who is not a relevant intermediary is entitled to appoint not more than two proxies to attend, speak and vote at the meeting. Where such member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy.
- (b) A member who is a relevant intermediary is entitled to appoint more than two proxies to attend, speak and vote at the meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

"**Relevant intermediary**" has the meaning ascribed to it in Section 181 of the Companies Act, Chapter 50 of Singapore.

2. A proxy need not be a member of the Company.
3. The instrument appointing the proxy must be lodged at the office of the Company's Share Registrar, M & C Services Private Limited at 112 Robinson Road, #05-01, Singapore 068902, not less than 72 hours before the time appointed for the Annual General Meeting. The submission of a Proxy Form by a member does not preclude him from attending and voting in person at the Annual General Meeting if he finds that he is able to do so. In such event, the relevant Proxy Forms will be deemed to be revoked.

Notes:

1. Please insert the total number of shares held by you. If you have shares entered against your name in the Depository Register (maintained by The Central Depository (Pte) Limited), you should insert that number of shares. If you have shares registered in your name in the Register of Members (maintained by or on behalf of the Company), you should insert that number of shares. If you have shares entered against your name in the Depository Register and shares registered in your name in the Register of Members, you should insert the aggregate number of shares. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the shares of the Company held by you.
2. (a) A member who is not a relevant intermediary is entitled to appoint not more than two proxies to attend, speak and vote at the Annual General Meeting. Where such member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy.
(b) A member who is a relevant intermediary is entitled to appoint more than two proxies to attend, speak and vote at the Annual General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.
"Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act, Chapter 50 of Singapore.

In such event, the relevant Proxy Forms will be deemed to be revoked.
5. The instrument appointing a proxy or proxies must be under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorised.

7. The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies (including any related attachment). In addition, in the case of shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Annual General Meeting, as certified by The Central Depository (Pte) Limited to the Company.
