For the 9th consecutive year,
AXA is the #1 Global Insurance Brand.

Terms and Conditions

This promotion is available at island-wide AXA@POST Post Offices and participating roadshows between 1 January 2018 to 31 March 2018. This promotion is applicable to all cash regular premium policies underwritten by AXA Insurance Pte Ltd ("AXA") (Company Reg. No. 199903512M) and excludes AXA Shield and all plans using Central Provident Fund monies. The monetary credits are not exchangeable for cash and may be used to offset purchases from Courts (Singapore) Pte Ltd ("Courts"). The use of Courts monetary credits is subject to the terms and conditions of the merchant providing the product and/or service. AXA reserves the right to replace the above gifts with other models of equivalent value in the event that stocks are unavailable. Colors and versions of the gifts may vary and are while stocks last.

Important Note: Singapore Post Limited ("SingPost") (Company Reg. No. 199201623M) does not carry on the business of soliciting or receiving proposals for insurance and investment products, and does not act as an agent for any insurer or fund manager in relation to the products or services provided or sold. SingPost is not responsible for any matters in relations to the products or services provided or sold. Buying a life insurance is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value may be less than total premiums paid. Investments in investment-linked policies ("ILP") are subjected to investment risks including the possible loss of the principal amount invested. The value of units in the ILP sub-fund and the income accruing to the units, if any, may fall or rise. You should read the product summary and the product highlights sheet ("PHS") before deciding whether to subscribe for units in the ILP sub-fund. The product summary and the PHS may be obtained from a Financial Consultant representing AXA. Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. It is usually detrimental to replace an existing accident and health insurance policy with a new one. A penalty may be imposed for early policy termination and the new policy may cost more or have less benefits at the same cost.
